

Hello Dear hockey friends.

Our Team, Dolphins Ancona, are organizing an international tournament (a six-team tournament) for the 10th and 11th of September. It will take place in Marotta, a nice town sea near Ancona.

ACCOMODATION

You stay in hotel, meals included, and the fee for each participant (players and assistants) will be between 120 and 150 Euro (it depends on sponsors).

Each team can have a maximum of 16 people (players and assistants). For extra people you have to ask to the organization

RULES

We will play with Italian rules: classification of players and 12 Km/h speed.

We would be very happy to have your team. If you are interested you can subscribe your pre-accession until the 28th of march. We will make you know at the end of march if you're accepted.
